**Jasmine Sparkes is an emerging Australian country artist based on the Central Coast of NSW.**

Her music blends classic country storytelling with a modern edge, shaped by personal experience, strong vocal delivery, and a natural gift for performance.

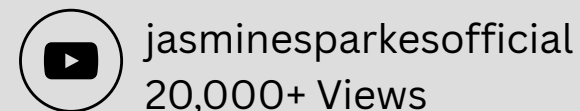

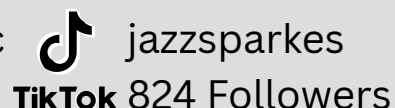

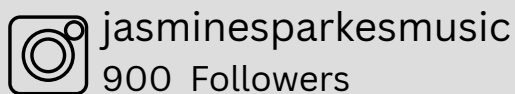

Jasmine's upcoming debut EP "Sparkes Road", created in collaboration with acclaimed songwriter/producer Andy Kelly, captures her evolution as a songwriter and vocalist. The record is a heartfelt reflection of her journey—from childhood stages and church halls to performances at the Tamworth Country Music Festival and Qudos Bank Arena.

Jazz has released multiple tracks to date including Country To Coast, 6 Dinners, Sparkes Road and her latest single You've Got Time To Kiss me!! These tracks introduce listeners to Jazz's signature sound: honest, melodic, and proudly homegrown. And they are just the beginning.

Jazz also fronts her own Country Covers band which features hits from the soul-stirring grit of Chris Stapleton and Luke Combs, to the high-energy anthems of Cody Johnson, Brooks & Dunn, and Lainey Wilson – bringing a modern country party with classic heart. Performing at country events and festivals, they put on a fantastic show.

Drawing inspiration from her late father, legendary media personality Ken Sparkes, Jasmine brings authenticity, passion, energy and a true performer's instinct to every stage she steps on.

**Jasmine Sparkes is more than a country singer—she's a storyteller with a voice ready to resonate across Australia and beyond.**
